Bonds

Most bonds should transfer over with the DTC instruction used for securities, but in the event that the bond requires special instructions please use the path below:

Fed Settlement Instructions: All Custody US Treasuries (Bonds, Bills, Notes, Agencies)
BK OF NYC/MLGOV
ABA routing # 021000018
Further credit Sarah Lawrence College and Merrill Lynch account # 628-02747

Mutual Funds

In the event you, the donor, are sending mutual fund shares as a gift, please contact the fund directly to inform them of your decision to donate shares to the college. Know that in some cases the mutual fund must go into a "holding" account specifically for that mutual fund before it can go into the Sarah Lawrence account. In this case, we must know when the gift is expected before it arrives. We will provide you with that mutual fund's specific holding account number and additional information you will need to be sure the gift will be credited as a gift in the current tax year.
