

SARAH LAWRENCE COLLEGE

Dear Family Members,

Welcome to Sarah Lawrence College! This is an exciting time for you and your student, and we know you have numerous questions in anticipation of this wonderful journey. Throughout the summer, we will be sending you e-mails that will help answer your questions and highlight various resources available to you and your student in preparation for this transition.

Your student should already have received an e-mail from Kevin McKenna, Dean of Enrollment, and myself confirming that their deposit was received. In addition, they received an e-mail with instructions on how to access their Sarah Lawrence Gryphon Mail and MySLC, the student portal. The portal contains helpful information and a summer checklist of items they need to complete. Please ask your student whether they have received this e-mail and whether they have accessed their Gryphon e-mail account, as any further communications from the College will only be sent through Gryphon Mail. If they have not received this e-mail, please have your student contact the Admission office at slcadmit@sarahlawrence.edu or 914.395.2510. If they are having problems accessing their Gryphon Mail, they should contact the Computer Help Desk at hd@slc.edu or 914.395.2460.

The pre-orientation checklist that appears on MySLC can be found on the [Parent and Family website](#) for your reference. Information regarding orientation and other activities will be posted to the site over the summer, so you may want to check it periodically.

Move-in day for all new students, which includes transfer students, is scheduled for **Saturday, September 1st**. By the middle of July, I will send an e-mail that will give you more specifics regarding the move-in process, what time your student should arrive to move in, and a link to the day's schedule.

In the meantime, we hope you and your student enjoy the summer. Should you have any questions, please feel free to contact me at stuaffairs@sarahlawrence.edu or 914.395.2575.

Sincerely,

Paige Crandall, Ed.D.
Dean of Student Affairs
