2023 Honorary Degree Recipient

LINDA EARLEY CHASTANG '74

**Attorney; President and CEO of the
John and Lillian Miles Lewis Foundation**

Linda Earley Chastang serves as President and CEO of the John and Lillian Miles Lewis Foundation. The foundation was conceived by Congressman Lewis before his passing in 2020 to further his and his wife's passion for purposeful living and civic engagement.

Linda first met Congressman Lewis as a 14-year-old growing up in Washington, DC. Her family belonged to the small Presbyterian church where Jefferson P. Rogers, president of the Southern Christian Leadership Conference, was minister. Years later when she moved to Atlanta, she met Lillian Miles Lewis and then got to know John Lewis. She supported his campaign for city council and worked on his race against Julian Bond in 1986.

In 1982, at age 27, Linda was the youngest, the only woman, and the first Black faculty member at Georgia State College of Law. She taught there for five years before following her husband back to Washington, DC, where he had accepted a position. She became General Counsel in the National Association for the Advancement of Colored People's (NAACP) Washington office before going on to serve as Congressman Lewis' Chief of Staff, Counsel, and Associate Staff on the Ways and Means Committee.

She has served as Special Advisor to the Chairman of President Obama's Board of Advisors on Historically Black Colleges and Universities (HBCUs), as Executive Vice President for the National Association for Equal Opportunity in Higher Education, as the Committee Aide for the Joint Federal Relations Committee for the New Jersey State Legislature, and as Assistant Attorney General for the State of Florida.

She earned a BA from Sarah Lawrence College (1974), a JD from Howard University (1978), and an LLM from Emory University (1984). She is a graduate of the Harvard University Kennedy School of Government Executive Programs for Senior Managers in Government and Community Builders. A member of the bar in Georgia, Washington, DC, and Florida, she is admitted to the bars of the U.S. Supreme Court and the U.S. Court of Appeals for the Eleventh Circuit.

She delivered the commencement address at the University of North Carolina Asheville in May 2021.

THE ACADEMIC COSTUME CODE

The custom of wearing academic dress stems from the Middle Ages when scholars were also clerics and wore the costumes of their monastic orders. Significant parts of academic dress are the gown, the hood, and the cap. Each has a particular significance and is worn in accordance with standards established by the Academic Costume Code of the American Council on Education.

PRESIDENTIAL REGALIA

The president has always been the focal point of a college or university commencement. For this reason, it is acceptable that they wear a distinctive gown unique to the institution over which they preside. The unique feature of a presidential gown is the addition of the fourth chevron to each sleeve. This honor is granted only to one who holds the rank of president or chancellor of an academic institution.

GOWNS

The gown for the master's degree has an oblong sleeve, open at the wrist. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square-cut, and the front part has an arc cut away. The gown is supplied with fasteners so that it may be worn open or closed.

HOODS

Sarah Lawrence College uses hoods for the master's degree, which are three and a half feet in length. Hoods are lined with the official colors of the College, green and white. The colors of the trimmings of the hoods are associated with different subject matters, as follows, conferred at Sarah Lawrence College:

ARTS, LETTERS, HUMANITIES

White

Child Development, Health Advocacy, Women's History

EDUCATION

Light Blue

Art of Teaching

FINE ARTS, INCLUDING ARCHITECTURE

Brown

Dance, Theatre, Writing

SCIENCE

Golden Yellow

Dance/Movement Therapy, Human Genetics
