Vice Admiral Vivek H. Murthy, MD, MBA, was confirmed by the U.S. Senate in March 2021 to serve as the 21st Surgeon General of the United States. As the nation’s top doctor, Dr. Murthy helps to advance the health and well-being of all Americans and has worked to address critical public health issues. He has issued Surgeon General Advisories on the youth mental health crisis and social media’s impact on youth mental health, the epidemic of loneliness and isolation, and burnout in the health worker community. Dr. Murthy also issued a Surgeon General’s Framework on mental health in the workplace, and he is the first Surgeon General to host a podcast, “House Calls with Dr. Vivek Murthy,” inviting guests and listeners to explore how we can all build more connected and meaningful lives.

As Vice Admiral of the U.S. Public Health Service Commissioned Corps, Dr. Murthy oversees more than 6,000 dedicated public health officers serving vulnerable and underserved populations.

Dr. Murthy previously served as the 19th Surgeon General under President Barack Obama. Raised in Miami, Florida, Dr. Murthy received his bachelor’s degree from Harvard, his medical degree from the Yale School of Medicine, and his Master’s in Business Administration from the Yale School of Management.

THE ACADEMIC COSTUME CODE

The custom of wearing academic dress stems from the Middle Ages when scholars were also clerics and wore the costumes of their monastic orders. Significant parts of academic dress are the gown, the hood, and the cap. Each has a particular significance and is worn in accordance with standards established by the Academic Costume Code of the American Council on Education.

PRESIDENTIAL REGALIA

The president has always been the focal point of a college or university commencement. For this reason, it is acceptable that they wear a distinctive gown unique to the institution over which they preside. The unique feature of a presidential gown is the addition of the fourth chevron to each sleeve. This honor is granted only to one who holds the rank of president or chancellor of an academic institution.

GOWNS

The gown for the master's degree has an oblong sleeve, open at the wrist. The sleeve base hangs down in the traditional manner. The rear part of its oblong shape is square-cut, and the front part has an arc cut away. The gown is supplied with fasteners so that it may be worn open or closed. The regalia, called GreenWeaver®, is made from 100% post-consumer recycled plastic bottles in an effort to remain environmentally conscious.

HOODS

Sarah Lawrence College uses hoods for the master's degree, which are three and a half feet in length. Hoods are lined with the official colors of the College, green and white. The colors of the trimmings of the hoods are associated with different subject matters, as follows, conferred at Sarah Lawrence College:

**ARTS, LETTERS, HUMANITIES**

White
Child Development, Health Advocacy, Women's History

**EDUCATION**

Light Blue
Art of Teaching

**FINE ARTS, INCLUDING ARCHITECTURE**

Brown
Dance, Theatre, Writing

**SCIENCE**

Golden Yellow
Dance/Movement Therapy, Human Genetics
