GUEST SPEAKER

TONYA LEWIS LEE '88 is a producer, writer, entrepreneur, and women's health advocate who, to note just a few recent projects, led the production of Netflix's *She's Gotta Have It* and the film *All Rise*. In 2009, she produced the documentary *Crisis in the Crib*, which explores the issue of infant mortality in the United States and ultimately spurred her to found her own wellness brand, Movita Organics.
